EDUCATION

UNIVERSITY OF ILLINOIS AT URBANA CHAMPAIGN (UIUC)   *August 2022 – May 2026*
Bachelor of Science in Computer Science
GPA: 3.7/4.0
Courses to be completed by Summer 2023: Intro to CS (Java, C++), Discrete Structures, University Physics

SKILLS

Java, HTML, CSS, JavaScript, Python, PHP, Android Studio, SQL

EXPERIENCE

UIUC CAMPUS HONORS PROGRAM (CHP)   *September 2022 – present*
Website Administrator
- Design front-end content of the CHP website using WordPress
- Maintain CHP website's back-end database system using PHP and SQL
- Automate general education credit petition process using Python Pandas

CROWD DYNAMICS LAB   *September 2022 – present*
Undergraduate Research Assistant
- Study online marketplaces by running Selenium Python scripts to determine how price discrimination occurs
- Conduct market research to identify specific "market baskets" to be audited for fairness

UIUC SUMMER OF SIDE PROJECTS   *June 2022 – July 2022*
Software Developer
- Created Sam Scout, a Discord bot that given soccer player characteristics such as name and age, queries the SoFIFA player database and returns matching soccer players' information accordingly using Python
- Designed MedRemind using Flask to help users monitor medicine intake by tracking dosage and daily consumption

VEGANME
Founder and Software Developer   *June 2019 – August 2019*
- Founded VeganMe using HTML, CSS, and JS to help vegans meet their daily recommended nutrient quotas
- Developed features including a nutrient tracker, recipe list, blog, and grocery list manager
- Won "best programming project" in the Camp Khan 2019 summer competition, hosted by Khan Academy, for "creating something that can change the future"

ACTIVITIES

ILLINOIS STUDENTS CONSULTING FOR NON-PROFIT ORGANIZATIONS   *September 2022 – present*
Consultant
- Analyze Friends of the Parks (FOTP)'s current website design to recommend improvements to their user interface
- Research effective web design techniques and email communication solutions to increase FOTP's online presence
- Utilize tools such as Fanpage Karma and Semrush to understand FOTP's current social media metrics

ENGINEERING STUDENTS ALUMNI AMBASSADORS (ESAA)   *September 2022 – present*
Advancement Committee
- Volunteer at UIUC Grainger College of Engineering community events
- Organize fundraisers to raise money to facilitate connections between Grainger alumni and students

SCHAUMBURG ATHLETIC ASSOCIATION TOPSOCCER PROGRAM   *August 2019 – August 2022*
Volunteer Buddy
- Helped children with disabilities play soccer and keep active
- Designed practices to teach soccer skills and foster a love for the game

HONORS

High school: National Merit Scholarship Winner, National Honor Society, Academic Scholar, IHSA All-Academic Team
UIUC: Chancellor's Scholar (UIUC Campus Honors Program)
